RETURNING GUESTS

SEASONAL COIL CHECK-IN

For guests who have consistency in regimen. Product build-up or protective styling will require detox treatment. Schedule full appt.

- Express Clarifying Treatment.
- Hydration Mist Restorative Treatment.
- Texture/Curly Cut/Trim/Shaping.
- Hydrate & Define (Wash+ Go).

*Must not have excessive product build-up. This will require a detoxification treatment .

HYDRATE, TREAT & DEFINE

- Hydration Mist Restorative Treatment
- Curly Wet Set Styling.

*Must not have excessive product build-up. This will require a detoxification treatment .

DRY CUT

Dry cut using method that works with hair and go-to styling. This service is for those that need maintenance shaping/cutting/trim. This is not for a complete style change.

*Must arrive completely detangled, dry, fully styled (no pull-backs or buns) with product cocktail. Product build-up will result in full service. Arrive with defined gel cast for best results.

ADD-ON SERVICES

CURL BOUNCE BACK BOND BOOST

Treatment restructures the bonds in hair due to color alteration, heat and/or mechanical damage (ponytails, extensions, etc). **RESULTS NOT GUARANTEED.*

EXCESSIVE TANGLING

Tangling is expected, however excessively tangled hair will incur an additional charge. \$1/min (15 min minimum). Excessive tangling is post braid take-down, nape locs, excessive knots, etc.

ALTERNATIVE SERVICES

HEALTHY HAIR CONSULTATION + GAMEPLAN

This service is for those who'd like to discuss their hair challenges before making a commitment to their hair journey, or may be unsure about the state of their hair. Do you need help deciding how to move forward on your natural journey? Start here. **Add-On** Evaluation & Product Consultation to assess 3-5 products in your rotation.

****This is not a hands-on appointment.****
